DROP-IN
NETWORK

Toronto Drop-In Services Fall/Winter, 2016/2017

The Toronto Drop-In Network (TDIN) is an active coalition of over 50 diverse drop-in centres in Toronto, which support people who are homeless, marginally housed or socially isolated (including men, women, youth, LGBTQ2S, seniors, and families). TDIN works in collaboration with its community partners to increase the capacity of Toronto's drop-in centres through engagement, training, coordination, and advocacy. More information, and this booklet, can be found at www.tdin.ca.

TDIN member drop-ins in this booklet are organized by the area of the city in which they are located. This information is provided by Toronto Drop-In Network members, and is current as of November, 2016. As schedules may change, please call ahead if possible.

OUT OF THE COLD SITE SCHEDULE 2016 – 2017

Out of the Cold is a volunteer initiative by Toronto area synagogues, churches and faith communities to serve as Host Sites that offer shelter, hospitality and refuge to people who are homeless in the City of Toronto. **Out of the Cold** host sites reach out to marginalized individuals and extend a warm invitation to enjoy food, shelter and hospitality. This is made possible through the dedication and support of the many volunteer groups that offer their time, energy and perseverance. Out of the Cold Resource and Support Services provided by Dixon Hall are funded by the City of Toronto
