

OUR FAIR SHARE

FARMERS MARKET

Rising food costs are affecting us all. Our Fair Share is on a mission to make food accessible for everyone. Join us in acting on your belief in the right to food!

Come to our Pay-What-You-Choose (PWYC) market to get a surprise assortment of produce and you choose your price.

Why we offer PWYC pricing

Everyone has a right to healthy food, and we want you to choose how much you pay for produce. Paying a little more helps off set the cost for others. Donations welcome.
