Frequently asked questions about the new Toronto Drop-In Network website

How do I become a TDIN member?

The Toronto Drop-In Network (TDIN) welcomes drop-ins, street outreach organizations and programs which support people who are homeless, at risk of homelessness and/or socially isolated. If your organization is interested in becoming a member, please review TDIN Terms of Reference to see if TDIN is the right fit for you.

If you would like to apply to be a member of TDIN, please follow these steps:

1. Write to the TDIN manager@tdin.ca outlining your services and why you think your organization would be a good fit.
2. Your request will be submitted to the TDIN Steering Committee for approval.
3. The TDIN Manager will get back to you on the status of your application.
4. Once your membership is approved, TDIN will send instructions to get you and your drop-in/organization on board. This includes:
 - Completing the member application form
 - Paying a membership fee
 - Setting up your organization profile on TDIN website

TDIN Membership benefits include access to meetings, resources and information, financial support for training and participant engagement, and capacity building initiatives which support the entire drop-in sector.
