Frequently asked questions about the new Toronto Drop-In Network website

How do I create a personal profile?

Note: In order to create a personal profile, you or your organization have to be a member of TDIN.

Go to tdin.ca

1. Click the Join button on the top right-hand corner, a pop-up screen will appear - complete the registration form with required fields and submit your information (if you have an existing profile and you have forgotten your password, please close the registration form. Click the Login button at the top right hand corner to reset your password. You will receive an email with the link to reset password).

2. TDIN will review your information at the earliest convenience and you will receive an email confirmation when your profile is approved.
